

## **RISK MANAGEMENT POLICY**

The Board of Directors of Sacheta Metals Limited ('the SML') has adopted the following policy and procedures with regard to risk management as defined below. The Company is in the process of forming a Risk Management Committee. The Board may review and amend this policy from time to time.

### **Objectives of the Policy:**

The main objective of this policy is to ensure sustainable business growth with stability and to promote a pro-active approach in reporting, evaluating and resolving risks associated with the business. In order to achieve the key objective, the policy establishes a structured and disciplined approach to Risk Management, including the development of the Risk Matrix, in order to guide decisions on risk related issues.

This policy is framed based on Listing Agreement entered by the Company with the Stock Exchanges and to facilitate setting up a framework for risk assessment and minimization procedures. The purpose of this Policy is to ensure that each of you are aware of the company's standards for risk taking while conducting business and to provide an easy-to-access guide any time you have a question. The Risk Management Group will currently cover Market Risk, Credit Risk, Process Risk and other risks as detailed in these documents. Each risk is covered within this Policy. This Policy will apply across all products, throughout the firm.

The specific objectives of the Risk Management Policy are:

- To ensure that all the current and future material risk exposures of the company are identified, assessed, quantified, appropriately mitigated and managed.
- To establish a framework for the company's risk management process and to ensure company wide implementation.
- To ensure systematic and uniform assessment of risks related with construction projects and operational power stations.

- To enable compliance with appropriate regulations, wherever applicable, through the adoption of best practices.
- To assure business growth with financial stability.
